

Dyffryn Ogwen Camera Club COVID-Safe Walks

Guidelines

Due to COVID-19 we have to change the way Dyffryn Ogwen Camera Club walks are organised. We can keep each other safe by taking a few extra precautions. The guidelines listed here must be followed by **everyone** joining us on a Dyffryn Ogwen Camera Club walk or trip.

- Members will be notified by email of walks and their details by the Dyffryn Ogwen Camera Club walk coordinator Nick Pipe or a member of the committee in their absence. This information will also be put on the website news page.
- You must book onto any walks you wish to attend by filling in the joining form on the website. This ensures we comply with NHS Track and Trace and manage numbers on each walk.
- The upper limit as advised by the government of 30 people meeting outdoors will be complied with at all times. However, some walks may be limited on numbers due to the location, parking restrictions and any other factors that arise. Car sharing is **NOT** encouraged with anyone outside of your household or bubble.
- If you have had any COVID-19 symptoms in the days before a Dyffryn Ogwen Camera Club you must **NOT** attend the walk.
- Members must **NOT** share equipment or any food and drink with others members on the walk.
- Walk responsibly. When other walkers are passing, please stand well back and give way. As a rule of thumb if we all move to the left-hand side of a path that should prevent others having to walk through us.
- Bring change for car parks where required to prevent the need to swap change with each other.
- We will endeavour to include a description of the walk including the terrain and estimated length. Please ensure that you have suitable clothing and footwear and you make your own checks regarding the weather.
- Listen to the walk leader's briefing.
- If you develop symptoms after a Dyffryn Ogwen Camera Club walk that you have attended or if you test positive for COVID-19 please email info@dyffrynogwencamera.co.uk as well as contacting NHS Track and Trace, and the club will notify other members who were on the same walk. It is important to note that discretion will be applied and other attendees will not be notified of the name of the person affected.

Please note that walk leaders and walk coordinators are volunteers and will remind members of the guidelines during any walks if required, your cooperation will be gratefully accepted.

Any member can volunteer to lead a walk, please email the club to discuss. We hope that by following these guidelines we will all be able enjoy the summer walks that we have planned.

All members are covered by Dyffryn Ogwen Camera Club's insurance policy when on photographic walks organised by the club. The Public Liability cover is designed to cover our legal liability for loss or damage to third party property and/or injury to third parties caused by the negligence of the club or one of the members.
